Sub: Right turn on Flyover at Dunlop Bridge.

Sir,

This refers to above.

Engineering Experts of the Department and the undersigned had visited the Flyover and inspected the same.

One bearing of the flyover has been damaged and needs to be replaced. Till its replacement the Flyover is vulnerable and the following have been advised:

- i) No heavy vehicle should ply on the flyover till replacement of the bearing.
- ii) Speed of small vehicles should be restricted to 10 km / hour on the flyover till the repair.

I request that all concerned may be instructed to strictly implement this.

Yours faithfully,

  
(Arnab Roy)
